

AGREEMENT

concerning
Promoting Amicable Cooperation and Exchanges
between

Lund, Sweden and Coimbra, Portugal

The goal of this intercity collaboration is to achieve mutual exchange and collaboration in various fields.

Within the framework of this collaboration the parties shall aim in particular in the following fields:

- Environment: Promoting contacts to exchange knowledge, experiences and information for a better environmental protection,
- Culture: Stimulating an exchange through young people's cultural and sport activities,
- Tourism: Promoting activities and exchange to stimulate tourism and visits in the cities,
- Cultural Capital: The cities will support each other with exchange of experiences and support for great events.

With this agreement the two parties would like to express the importance and the desirability of developing friendly relations with each other in order to promote the development of our cities through this cordial cooperation.
